

H. Henry Williams

LEAD PASTOR

Leading a church that helps people come to know and ultimately fall more deeply in love with God and other people is Henry's greatest passion. As a husband, parent, and grandparent, Henry is particularly interested in partnering with families so that the next generation will know and love God, living on mission for him. Henry earned degrees from The University of Northwestern—St. Paul, Gordon-Conwell Theological Seminary, and Boston University (Doctor of Ministry). Henry's interests include pickle ball, fly fishing, watching NFL football (especially the Vikings and fantasy football), hiking, boating, board games, and Cuban food. Henry grew up in a Cuban-American home in Miami and desires for Five Oaks to reflect the diversity of its community. If you're thinking of checking out Five Oaks, he'd love to answer any questions you might have over a cup of coffee, so feel free to contact him.
